

ANNOUNCEMENT I

The Józef Piłsudski University of Physical Education in Warsaw
Faculty of Rehabilitation

and

The Polish Dance Sport Federation

invite to

International Scientific - Industry Conference
DanceSport – Research, Practice and Future
(Taniec Sportowy – Nauka, Praktyka i Przyszłość)

30–31 May 2026

30 May (Saturday) – international part (lectures in English)

31 May (Sunday) – Polish part (lectures in Polish)

AWF Warsaw

Hours: 9:00–17:00

The conference program includes presentations of invited experts, who will address key issues for the dance sport community, including: psychology in sport, orthopaedics and dancer health, physical effort and motor preparation.

The program also provides for panel discussions with the participation of sports officials, which will create a space for the exchange of experiences and discussions about the future of dance sport.

The conference is addressed to a wide dance sport community, in particular: coaches and instructors, athletes, judges, parents of young dancers and athletes, sports officials and organizers, as well as scientists and students.

We cordially invite everyone to participate in this unique event!

See you in Warsaw!

Conference Venue:
