Dr Klementyna Karlińska-Batres

“W dzisiejszym wysoce konkurencyjnym środowisku badawczym jestem często proszony o zademonstrowanie swojego wpływu. Ale śledzenie mojego wkładu jest żmudne, frustrujące i czasochłonne. Zmęczyłem się utrzymywaniem aktualności wszystkich różnych profili i narzędzi.”

Dodawanie publikacji do profilu użytkownika

Jeśli profil został połączony z identyfikatorem ORCID, mogą one być zsynchronizowane.

Jeśli posiadasz identyfikator ORCID i powiązałeś go ze swoim kontem, możesz eksportować swoje publikacje (oraz recenzje, jeśli takie posiadasz).

Obecnie jest to proces ręczny dla publikacji - będziesz musiał to zrobić za każdym razem, gdy będziesz dodawał nowe publikacje do swojego profilu.

Planujemy zautomatyzować ten proces, tak jak w przypadku recenzji.

How to find and add old reviews

The quickest way to add past reviews to your profile is to forward 'receipts' for those reviews to reviews@publons.com.

Review receipts are emails from an editor on receipt of your review, *not* invitations to review.

Search your inbox for these receipts using the steps below

- 1 Go to your inbox and search these common terms:
"Thank you for reviewing (journal name)"
"Your review for (journal name)"
"Review received (journal name)"
- 2 Copy and paste the text from any receipts you find into your search box to look for more receipts that use the same terms.
- 3 Forward each message you find to reviews@publons.com and you're done! We'll verify your reviews with the journal and add them to your profile.

Forward your review receipts to us as often as you like. Check our [FAQs](#) or email us at info@publons.com for more information.
