## Erasmus+ in AWF Warsaw

- Student exchange from 2002/2003
- 126 partner universities from
- 26 countries
- Over 2000 mobilities
- Over 3000 incoming and outgoing students

The overall goal of the IDEAL 2.0 project is to facilitate equitable and inclusive access to sport and PA for young people with intellectual disability/autism spectrum disorder

Project is focused to 3 main closely related topics: 1) digital competences of primary school teacher; 2) physical education (PE) class in primary school; and 3) inclusion of primary school pupils with special education needs (SEN).

Project is based in a consortium of universities with a strong experience with multinational projects. Innovative Rehabilitation Education – Introduction of new master degree programs in Ukraine (REHAB)

**iDEAL 2.0**  
EVERYONE HAS THE RIGHT TO PARTICIPATE IN SPORT

**SENDITEA**

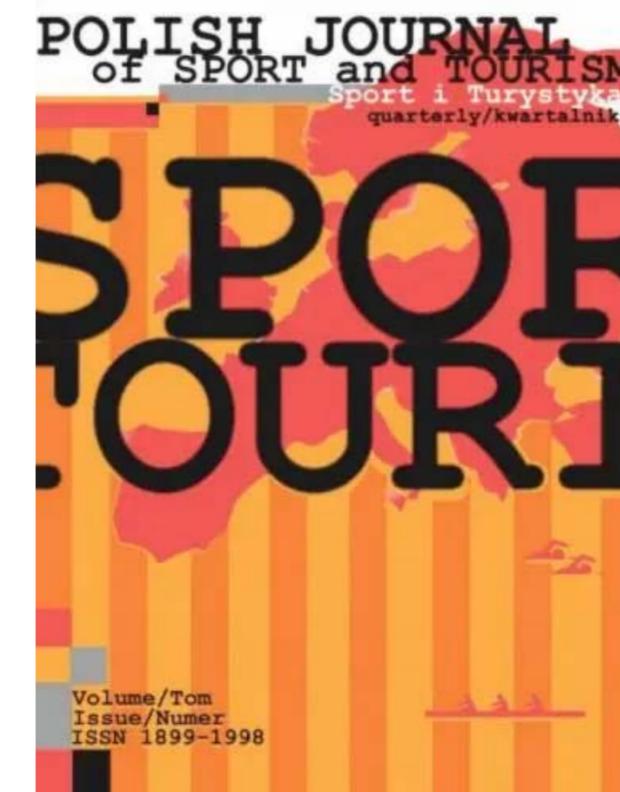

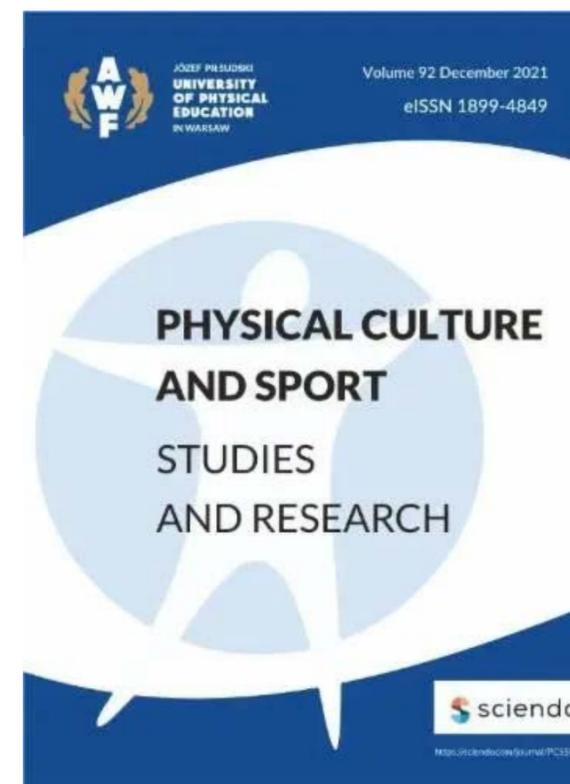

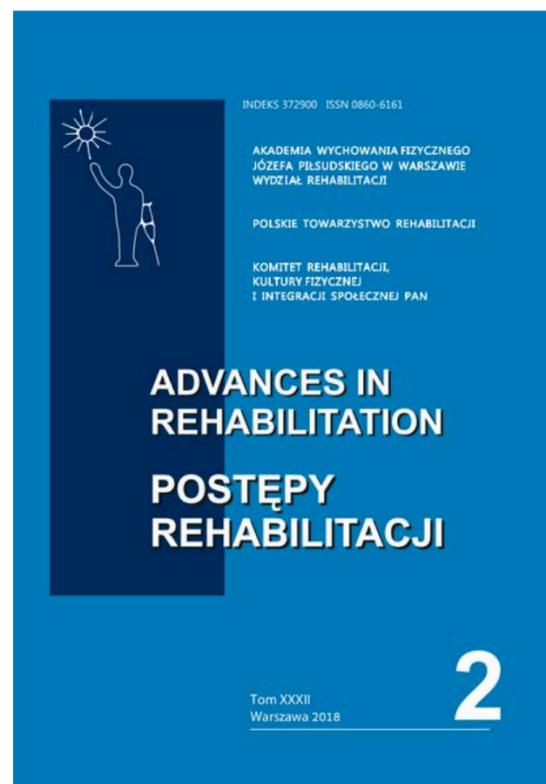

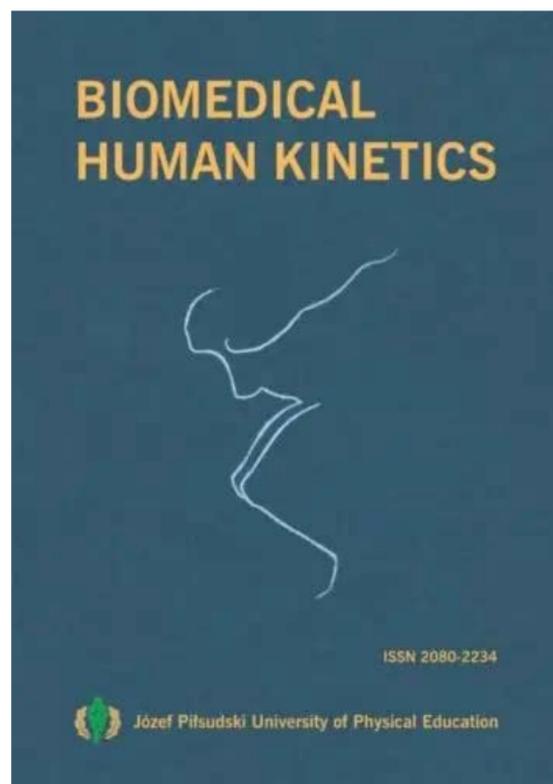

**REHAB**

Co-funded by the  
Erasmus+ Programme  
of the European Union
